CONGRESSIONAL RECORD VOTE CORRECTIONS

The following corrections in official reports of the outcome of roll-call votes during the first session of the 88th Congress have been listed in the Congressional Record.

The lists are subdivided into "Vote Corrections" and "Stand or Announcement Changes." The former involve adjustment of the "Yeas" and "Nays" in the breakdown on Congressional Quarterly roll-call charts; the latter do not affect the breakdown.

The Congressional Record roll-call corrections listed below were inserted in the Record too late for CQ to include on Current Weekly Report vote charts; Weekly Report pages where these votes may be found

are indicated so that you may bring your Weekly Report file into conformity with the Record.

Symbols used in these vote corrections:

Y -- Yea	AN -- Announced Against
N -- Nay	PY -- Paired For
A -- Absent	PN -- Paired Against
AY -- Announced For	GP -- General Pair

In correcting CQ vote charts, see key on chart for appropriate symbols.

What you get when you order Congressional Quarterly Service

THE WEEKLY REPORT

The Weekly Report, digesting in condensed magazine format Congressional and political activity for the current week—mailed every Friday night. It includes the full texts of Presidential press conferences, major statements, messages and speeches.

THE QUARTERLY INDEX

The Quarterly Index indexes by names and subjects the contents of all preceding issues of the Weekly Report for the year. It is the only current cumulative index to the full range of activities concerning Congress and politics and to the actual words of the President.

THE ALMANAC

The Almanac, published early in January and covering the previous calendar year, is a 1000-page volume which distills, reorganizes and cross-indexes the full year in Congress, politics and lobbying for permanent reference.

CQ QUERY SERVICE

CQ Query Service is available to clients by telephone, telegraph, mail or through personal visits. Answers questions about matters of fact in CQ's field of coverage.
